This is for those of you who seem to think the word VAGINA = PORN. Just because there is the word VAGINA in my title doesn't mean you have to treat me like a haughty slut. I like puppies and Kittles, you know! I hope the word VAGINA is not making you horny right now! I just happen to have a tingling in my VAGINA!

I must Bitch! and

If I hear one more person talking about how good it makes them feel to be Searched my ears are gonna jump off and run away! Sure, I always feel so safe and warm and fuzzy when I am looked at as suspicious and patted down and my purse confiscated and dug through by someone who doesn't know the difference between a tampon and a hand grenade!

Get yourself a pair of really good binoculars. You can spy on your neighbors! More fun than watching The Real World!

make a list of places you would like to blow up.

That is very interesting! Have conversations in your head with people you will never actually meet...like Matt Damon

Dress up your pets. I bet you didn't know that cats fantasize about being in Japanese music videos!

THE ART OF TRAINING A BAD CAT!

by Mistress SUPER VAGINA

- #1 This is the kind of thanks you can expect from your **BAD CAT** for all the love, food, treats and warmth you give her!
- #2 **BAD CAT** may look cute but it is an **EVIL TRICK**. Don't be fooled!
- #3 Kick that **BAD CAT** out of the house and no matter what **DONT LET HER BACK IN** for at least a week!
- #4 Bell the cat.
- #5 for the next few weeks only allow the cat into the comfort and warmth of the home for **SHORT, SUPERVISED VISITS**.
- #6 Eventually your **BAD CAT** will turn into an obedient pet.

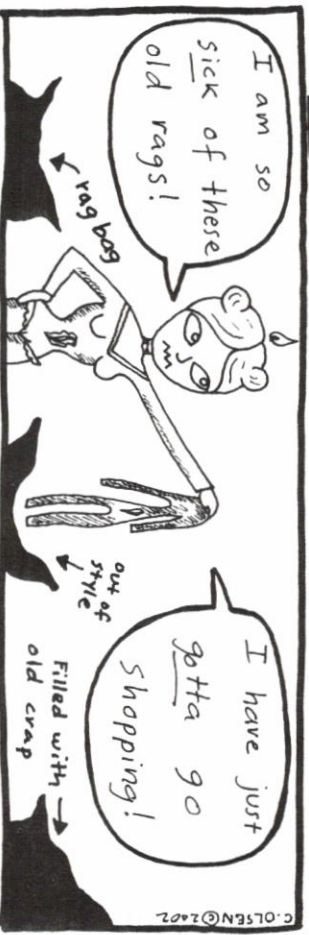

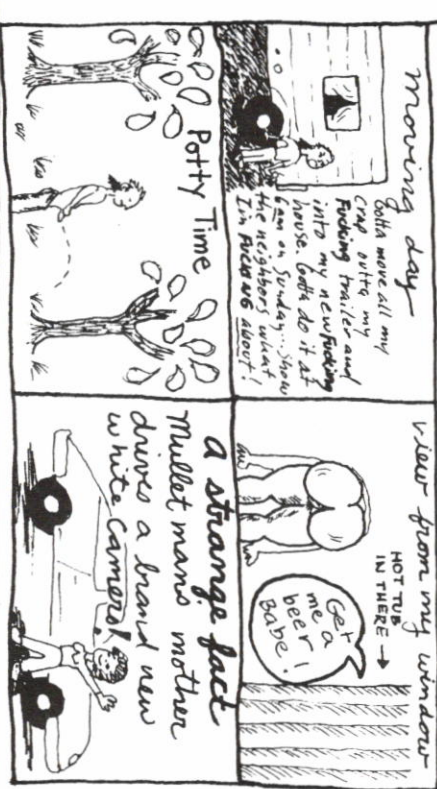

P.S. During #3 if you notice your cat frothing at the mouth do not be alarmed. It is the **EVIL ENTITY** which **POSSESSED** your pet to make it the **BAD CAT**. The entity dies in this frothy manner.

My plan be this... I park my car in the backyard. The rear of the car shall be aimed at the neighbors house. At exactly 7:25 am I start the car. The exhaust shall enter their house thru the kitchen window and kill them in their sleep. It be an excellent plan!
